INTRODUCING THE  
NEW MITOMAX<sup>®</sup>  
LINE OF PATENTED  
PLANT-BASED  
PROBIOTICS FOR  
DOGS AND CATS!

The unique probiotics, *Pediococcus acidilactici* NRRL B-50517 (Mito-5051<sup>®</sup>) are derived from wild grasses and are Non-GMO, Gluten Free, and formulated to survive in the toughest conditions.

They are resistant to stomach acids (pH 1.5), oxygen, and high temperatures. They require no refrigeration, making them perfect for travel, and they can even be taken alongside antibiotics to help to reduce the adverse effects.

Each capsule of MITOMAX<sup>®</sup> contains 1 billion live microorganisms guaranteed.

“NOW, LET’S TAKE A CLOSER LOOK AT THE THREE PRODUCTS IN THE MITOMAX<sup>®</sup> LINE!”

## MITOMAX<sup>®</sup>DH

DIGESTIVE HEALTH

- Supports Digestions and Immune Responses\*
- Works Concurrently with Antibiotics\*
- Requires no Refrigeration

MITOMAX<sup>®</sup>DH products contain an unique formula of Mito-5051<sup>®</sup> and *Sacharomyces boulardii* fermentation cultures that work together to support your pet's digestive and immune systems.

Mito-5051<sup>®</sup> and *Sacharomyces boulardii* are known for their ability to resist the harsh conditions of the digestive system and can reach the GI tract alive, where it helps digestion and immune functions. They also have been shown to help reduce inflammations and may even help prevent antibiotic associated diarrhea.

MITOMAX<sup>®</sup>DH capsules are the choice probiotics for routinely having good stools and helping to maintain that shining fur for your furry friend.

## MITOMAX<sup>®</sup>JH

HIP+JOINT HEALTH

- Probiotic Enhanced Absorption\*
- Glucosamine & Hyaluronic Acid
- 100% Plant-Based Ingredients

MITOMAX<sup>®</sup>JH contains a formulation of veggie Hyaluronic Acid and plant Glucosamine, along with our plant-based probiotic Mito-5051<sup>®</sup> in veggie capsules to help the joint health of dogs and cats.

The Mito-5051<sup>®</sup> probiotics may help alleviate inflammation and the absorption of hyaluronic acid and glucosamine, both of which are well known to have benefits for hip and joint health.

MITOMAX<sup>®</sup>JH is the ideal product for effective hip and joint health for dogs and cats.

## MITOMAX<sup>®</sup>UH

URINARY HEALTH

- Probiotic to Support Healthy Urinary Tract\*
- With Cranberry Extract
- 100% Plant-Based Ingredients

MITOMAX<sup>®</sup>UH capsules includes our plant-based probiotics Mito-5051<sup>®</sup> and cranberry powder which is described to be able to help support the fight against urinary infections.

Mito-5051<sup>®</sup> probiotics has been clinically shown to help to alleviate chronic kidney diseases through absorption of ammonia from protein complete digestions. Furthermore, Mito-5051<sup>®</sup> can help boost immune responses to fight against the microbial infections and to reduce the inflammation.

MITOMAX<sup>®</sup>UH ensures your pet's urinary health has a better chance to stay healthy.
